

PYC Bullet Points: What's on this week at your Club!!

Friday 13th Party

The Friday 13th parties of yesteryear, when the members of the PYC cocked a snoot at the liquor laws of the day(which forbade the presence of women in a mens bar), were legendary.

All club members are welcome to join "Dave & Jane Hudson, from Cape Town", as well as regular members of the Friday 13th gatherings, for an evening of chit chat, reminiscing and of course a few quiet little drinks (qld's).

Time: 18h00 until we close the bar.

Dress code: relaxed
